

# Little Hands

Where Parents and Children Learn Together

Welcome to Little Hands!

We are pleased that you have decided to join us for an action-packed, memory-filled year at Little Hands. You chose Little Hands because you want to participate and learn along with your child. You have come to the right place! We are a community of parents and teachers that share your vision.

As you can see from the attached calendar, we have lots of fun activities and events planned. Our community is based on participation and involvement, so we encourage each family to attend as many events as possible to fully enjoy all that Little Hands offers. You will find that the more you are involved, the more you benefit. From the shared experiences at Little Hands, come friendships that you and your children will enjoy for years to come.

The Little Hands Board is composed entirely of parents just like you. Our role is to work with all Little Hands parents to organize, arrange, assemble, enroll, maintain, create, build, promote, record, report and support the school's operations, events and activities. That's a lot! As you prepare a class snack, wash towels, organize an event, or paint the classroom, remember that all of us count on each other to make Little Hands a wonderful environment for learning and growth.

Mark your calendars! To kick-off the year, the Board is hosting a Welcome gathering for the whole family on Sunday, September 19<sup>th</sup> from 3:00 to 4:30 pm. We look forward to meeting you, sharing some ice cream and discussing your ideas for the upcoming year.

At Little Hands you have the opportunity to be with other parents and share our children's discovery, laughter and learning. The memories you gain will last a lifetime.

Thanks for joining us in building, sharing and enjoying the Little Hands community.
