CHILD MEDICAL FORM

The California School Immunization Law requires that **children must be up-to-date on their immunizations (shots) to attend** school or childcare.

Your child will not be able to attend class unless the immunization record is presented and up-to-date* (You may attach a separate immunization record, but your child’s physician must also sign this form.)

*If your child is not immunized or on a different immunization schedule for medical reasons, please have your doctor indicate so on the form below or on the attached immunization record.

Note: Any child under the age of 18 months or with a temporary medical reason for not being fully vaccinated is considered conditionally admitted to Little Hands, under California State Law. Little Hands will follow-up to receive information from parents when new vaccinations are due. It is, however, the parent’s responsibility to continue to make sure their child remains current on their vaccinations and inform the Little Hands Registrar when your child receives new vaccinations. If your child does not stay current on vaccinations and does not have a valid medical exemption, you will no longer be able to attend Little Hands under California State Law. For more information about vaccine schedules and California’s immunization laws, please go to shotsforschool.org.
